

## Technical sheet

No. **32UA01A**

Issue **V01.0**

**Product family:** Tools - Scissors  
**Item code:** 1330  
**Description:** SCISSORS · X-PRO EVO

### Image

### Features

- innovative design with lines and volumes that ensure excellent ergonomics.
- thanks to the special open loop shape of the lower level it fits into hands of different sizes
- body in bi-component material that alternates soft touch material with a non-slip surface for a comfortable and safe grip, which allows cutting with less effort
- sturdy handle, the steel blades run along its entire length
- the spring opening system allows the scissors to be opened effortlessly for effective stripping and cutting of the cables. The blade locking device is released with a single gesture
- antiskid micro-serrated blades
- blades with variable geometry profiles enables you to cut and strip copper and aluminium cables up to 50 mm<sup>2</sup>

### Specifications
